Work Experience

Game Developer

Tarboosh Games-Remote

February 2024 to Present

Unity Middle Game Developer

Dasi Games-Tbilisi

February 2022 to January 2024

- Worked on multiple mobile games simultaneously.
- Collaborated with colleagues on the constant improvement of the game development process, such as implementing new tools and techniques, streamlining workflows, and optimizing performance.
- Participated in design and planning meetings to provide input and feedback on game mechanics, levels, and features.
- Conducted testing and debugging to identify and fix issues in the game.
- Implemented game mechanics using programming language such as C#

Unity Junior Game Developer

Black Room Games-Tbilisi

May 2021 to June 2022

- Assisted senior developers with coding tasks and provided support as needed.
- Participated in team meetings to discuss project progress, identify issues, and brainstorm solutions.
- Conducted basic game testing to identify bugs and provide feedback to senior developers.

Unity Junior Game Developer

Stonkers-Tbilisi

September 2021 to January 2022

- Worked as a junior game developer in a small-sized team of freelancers who provide mainly hyper-casual/arcade games to clients all around the world.
- Pre-tested games to ensure that they met quality standards and requirements before submitting them to clients.
- Designed and implemented simple user interfaces using Unity UI system or other third-party tools.
- Researched and learned new technologies, tools, and techniques to improve skills and stay up-to-date with the latest trends in game development.
